Scott County Economic Development Corporation Mission Statement:

The purpose and intent of the Scott County Economic Development Corporation is coordination, administration, and overall management of economic development and marketing for Scott County.

The SCEDC, under contract with local and state units of government, will maintain a public/private partnership with an end result of advancing the improvement of the quality and quantity of life in Scott County. As part of the goals and objectives of the SCEDC, it will focus on several economic development issues.

For the industrial, commercial, and service industries, the corporation will assist with expansion plans and will strive to retain the current base of investment and jobs. Further, the SCEDC will conduct a campaign to attract a diverse segment of each industry to continue economic growth in Scott County.

The staff and corporation will further develop a communications and promotion program for the development activities with state and local governments and private sector development corporations. In addition, they will establish and maintain an office organization that will serve Scott County and its residents.

The SCEDC office is located in The Scottsburg Heritage Station, at 90 North Main Street, Suite C, in Scottsburg, Indiana. Our telephone number is 812-752-SCOT(7268). The fax number is 812-752-7272. We appreciate the support shown by the local units of government and the private sector in Scott County and we believe that the next decade will be one of prosperity and growth for the country.
